

## Vale High alumni news

By Cindy Mayhall Christy

There was a good turnout for the Vale Alumni Association's third annual Homecoming Pre-game Party, which was held in the dining room of the Sagebrush Saloon.

Several large donations were made to increase the VAA's scholarship. Half of the income will be given each year in scholarships to graduating seniors, along with smaller donations and general membership funds budgeted for that purpose. The principal will remain in the annuity, along with the other half of the income on the investment.

Don Wolfe, representing the Class of '59 Reunion that met Labor Day weekend in Ontario, gave a check for \$552. Clarice Hawley became the newest lifetime member with a check for \$1,000. Many other memberships were new or renewed, and other donations were collected by VAA for inclusion in the general fund.
