

Vale High School Alumni Association

All Vale High School graduates and people interested in Vale High School are invited to join the Vale High School Alumni Association.

Membership is open to all people who attended Vale High School. Associate membership is open to family members, teachers, and "friends" of Vale High School. Dues are \$20 per year for an individual and \$25 for a couple at the same address.

Each class will still be encouraged to continue individual class events, such as reunions. VAA can be a resource to assist individual classes.

The purpose of this organization, as stated in the by-laws is:

- To enhance post high school educational opportunities for those individuals graduating from Vale High School by collecting monies to award as scholarships by the organization;
- To develop fellowship among former students, teachers and friends of Vale High School;
- To promote camaraderie and lasting connections between fellow alumni, teachers and friends of Vale High School;
- To plan and direct member reunion events including participation in the annual fall Homecoming at Vale High School; and
- To help individual Vale High School graduating classes with class reunions including establishing and making available to class representatives a data base of alumni.

Please fill out the information, cut off, and send it to the address on the other side with membership dues payment.

Annual membership dues are only \$20 and we have very little overhead. The primary purpose of the association is to fund scholarships for our VHS seniors. **Your participation or attendance at our meetings is never required. We need to build our membership base to build our scholarship fund base.** Please become a Viking Booster if you attended VHS or even if you didn't. Please share this information and application to help generate interest and support in the Vale Alumni Association and its cause. **All Vale Seniors deserve the opportunity to attend college or other post high school training if they choose; we would like to help them on their way.**
