

January 12, 2016

The first Vale High Alumni Association meeting of the year is at 6:30 PM, and I will find a place to meet and let everyone know where.

Jim and Max have a plan to get more members. Please come give your input and help us plan for the coming year.

If you know of anyone else that would like to be included in our committees, please ask them to attend our meetings. Thanks.

Cindy
